GOD'S HEART

the Blue Stones of Fire
the Holy Mountain of God

CHAPTER FOUR: GOD'S HEART - Blue Stones of Fire - The Holy Mountain of God

Ezekiel 28:16

"I destroyed you, O guardian cherub, from amidst the stones of fire."

Yes Lucifer was granted to walk amidst the stones of fire. The heart of God himself. Only the Word (Jesus), the Holy Spirit and Lucifer had this privilege long before even the earth was created.

When Lucifer was removed by force from heaven - cast out as the scriptures tell us, the remaining beings allowed to access and walk amongst the stones of fire were, the Word (now Jesus) and the Holy Spirit.

This is why they are called the three in one. The Word and the Holy Spirit enter the Father's being and walk amidst the stones of fire - God's heart. They enter Him and become One. Father, Son and Holy Spirit.

Satan, now long since removed from this privilege but never the less was extended this privilege for a time before his corruption.

We, God's children, the one's God sewed flesh to are created and placed upon the earth to be the ones who worship Him in spirit and in truth. The replacement of Lucifer and his

angels charged with this mandate to worship Him. We ourselves are called to be His worshippers. We are invited to enter His heart, the blue stones of fire known also as the Holy mountain. We are now given this great privilege.

When we truly worship Him, His heart explodes with passion and beautiful fire. We literally set His heart on fire!

Our worship is a powerful weapon against the enemy. When we worship Him, we send desecration and destruction into the enemy's camp - Lucifers abode. When we join together in assembly and worship Him in spirit and in truth, we send ballistic missiles into satan's realm - the second realm or known as the second heaven.

Earth being called the first realm or the first heaven.

Satan's realm which he set up to exist between earth and God's home - heaven, is known as the second realm or second heaven.

Full of darkness and fallen angels (demons) and demonic armies and leaders known as strongmen commanding evil strongholds.

But God's home, the third heaven, whom even Peter referred to by this name, is impenetrable

by evil and darkness. This is why those who refuse to be separated from darkness and sin cannot enter there. Even Satan himself when he has appeared before God himself cannot enter there but has been given audience outside it's gates in one of the courts of justice that also we have access to.

We have access even now to the heart of God, the Holy mountain through the righteousness of Christ Jesus having already paid in full for our transgressions should we choose to receive his salvation.

Through holy living as He has instructed and through acts of worship and worship in singing and music and dance and prayers and exaltation and adoration, we have access to His heart. We make His heart burn with passion and He sings over us and broods like a mother hen over her chicks to ensure that His delight is poured out over and into our lives.

Jesus taught us how to please the Father. The Holy Spirit counsels us so that we can please Him. Even the Holy Hosts, the angels of heaven, God's servants, help us to know how to be truly pleasing in living lives of worship in spirit and in truth.

Thanks be to our God and Father in heaven who has planned and designed so intricately our existence and our purpose. Who by His very grace has given us free choice to choose to love Him or not to love Him.

Who has given us by His mercy, Jesus, who paid the complete price for our great multitude of sins. Therefore restoring and extending to us the great privilege of entering the place of “stones of fire”, His very heart.

Now WE are on the holy mountain of God; in the midst of the stones of fire where we walk.

Ezekiel 28:14

“I ordained and anointed
you as the mighty angelic
guardian.

You had access to the
holy mountain of God
and walked among the
stones of fire.”
