Time and Times to Come

CHAPTER SEVEN : TIME AND TIMES TO COME

The land was a far away place from heaven that night for the one who ruled and reigned and came from heaven's home.

He lurched and wrenched with pain as He began to give Himself over to the one who longed to destroy Him.

He, the Christ, destined to rise from the dead and save the universe and all mankind.

Sending angels to ensure that the devil did not go too far, the Father watched. Silently watched with eyes of grief for the suffering that was to come.

**The price - worth it!
The reward - you!**

**He died
that you might live.
He died
so you could live
forever.
Life not death.
Love not hate.
Heaven not Hades.**

The town was like any other that night but it carried the Son of God to His executioners.

The moon was not as any other night. The moon shone and

brought forth in it's time an eclipse showing the Time and Times to Come.

The moon and the stars were placed there for us to know the time and times to come. Seasons and ages are marked by these. Suns and moons all bow to the mighty authority, the mighty name of Jesus. He spoke them into being. He made them. He spoke, they came forth each commanded with a special time and rotation and movement or cycle. To show us the way in the dark and to display His glory at night.

How beautiful are these creations.

Heaven and earth will pass away but these moons and suns will I keep to tell the time and times to come.

For your enjoyment and for your knowledge. Their purpose is now beheld by man upon the earth. By all peoples by all nations. Each heavenly body must come forth in their own time. Each has an angel, or angels keeping their place, holding them in their station.

Give hope to the hopeless and rule and reign upon this earth with knowledge now of the age,

the season and the time upon the earth.

The Kingdom age. Where My Kingdom has already come upon the the earth. Mankind is to rise up and be counted for Me, the Christ, the Lord.

The Life is in the leaves of the Tree of Life. The Tree of Life is My Kingdom. This Kingdom which is now also upon the earth. My Kingdom come My will be done on earth as it is in heaven.

Your task, My followers is to extend the Kingdom. To rule and to reign with Me.

Nothing stops you but your pride. Nothing grieves you but your pride. Beware your pride and surrender your heart to Me.

**Hardness of heart
is pride.**

Pride is your enemy.

**Humble yourselves
therefore, under the
mighty hand of God that
He will exalt you in due
time. Casting all your
cares upon Him, for He
cares for you.**

The heavenly bodies look down upon the earth as it rotates. Wondering what will outwork of the Father's plan in the ages to come. They, even they, know their God. Know their King and their maker.

**Morning sun
knows it's command
and it's commander.**

**How then do you, My
people of earth not know
Me?**

**Your God, your Father,
your creator, your lover of
your soul.**

I long to have your time on earth complete so that I can take each one of you to myself again and love you and be present with you all and each one forever. Never again will I agree to a plan that takes you so far from My home where I reside.

**Dance and sing Oh Israel for
I am bringing each of you home.
Dance and sing Oh you gentiles,
for the Christ has made
recompense for you.**

The price is paid.

The price is paid.

**Sin has lost it's power of
death.**

I, the Christ now hold the keys of death.

They were meant for you My dear children but you gave them away not knowing their worth. But I won them back for you once and for all. I hold the keys to death and hell - they are under my command. The only one that will truly taste death for all time will be Lucifer whom you know as the devil. He and those who followed him from heaven will truly know final death. The torture of that place is not for My children - any of them.

I have a plan, hidden and yet to come. And you, My own dear ones are part of this plan.

Fear not for I Am with you forever. I will never leave nor forsake you.

The Kingdom Age is come upon the earth.

The millennial years are yet to come. Then, will you be raised up and glorified upon the earth. Your bodies raised for My glory and love of you.

What's next? You need not worry for the times and times to come will not be altered, and My plans for you are good and not evil.

Every knee shall bow.

Every tongue confess the I Am, Lord God Almighty.

In My millennial reign upon the earth, My sons and daughters will rule with Me.

Hope of My coming glory is blowing in the winds of the earth.

Listen and you will hear of My great plans for you each one.

Listen as the prophetic voice of My spirits move over the earth and tell of my great plan.

Winds of Life.

The winds of the earth no longer hold back the secrets of heaven.

They are released to blow to every place and every corner, revealing My great great plans for you.

Listen.

Old men will dream dreams as the winds of the earth carry details of My plans. Young men and women will prophecy - even children, as they speak what My winds carry. They carry songs of victories to come, battles to be won. Songs of Times and Times to come.

The winds of the earth are no longer held back. They carry My Word to all mankind for My glory and the love I have for you.
