THE SOUL

Times and Times to Come

CHAPTER 2: THE SOUL

THE SOUL OF MANKIND

is a beautiful thing. Like a book with many leaves or pages. Into these leaves, He deposits the sum of our being. How very beautiful is the soul of mankind. Each child of God has a number of completion, not without limit. Each man, woman and child has deposited and written into their soul, their total being, their hopes and dreams, the Father's plans for them and knowledge of good and evil.

The soul records each life. What we expose ourselves to is deposited or written into our souls. And when we join in sexual relationship, we both deposit a leaf of our own soul into that person and we receive a leaf of that person into our own soul. This is why the Lord God said "and the two shall be one". These are soul ties.

Each of us forms many soul ties. Some of God's design and some of another purpose. We have soul ties with parents and grandparents as God has meant for these roles to exist between us.

As we make welcome Jesus, God's Son and His Holy spirit, we invite deposits of life into our very being. We grow in essence to be more like Him who originally created us in His own image. We are like Him. our Father.

Guard the soul by choosing only things of life to be deposited. Invite

God's own Holy Spirit to stand guard at your soul. Be careful with your eyes what you see. Be careful with your ears what you hear. For the Father is looking upon you with love.

The soul, the essence of our being is a beautiful thing. Made to receive deposits of His nature and calling for us and anointing and giftings. It's beauty and intricacy is a wonder and an exquisite creation given to each of us.

As our soul prospers, so do we. Even our bodies and mind are a complete representation of the state of our soul.

When we receive His great plan for us which was established once and for all peoples by His Son Jesus Christ, our soul bears witness to this and receives cleansing and healing and wholeness once again. We become as new again before the contamination of the soul upon this earth began.

Violation and sin has wounded and deposited and stolen the layers of our soul and so, the blood of Jesus has power to cleanse all damage and decay from this essence of our being.

Jesus himself has given us the authority of His name to call back the layers of our soul either given or taken during our time here on this earth. With His authority, we can bind and loose out from our soul the

deposits that decay and bring bondage that cause us to be slaves to sin and darkness. The soul is a beautiful thing.

Our soul holds our character, our gifts, our purpose, our calling, our name, our appearance - our very essence and being.

When we give ourselves to Christ Jesus, a layer of our soul goes to be with the Father in heaven. This is why the bible says, "We are seated with Him in heavenly places". This is the part of us which is with Him always in His home, in communion and fellowship with Him in glory. In time, the other layers of our redeemed soul will join Him. But for now, we must guard our souls as we navigate our daily lives upon this earth.

His image bearers.

His children.

His sons and His daughters.

He is the lover of our souls.

He watches over us and cares for us.

He is our beloved and we are His. Confession and repentance bring cleansing to the soul. Praise and worship and holy living chase out unhealthy deposits within our soul.

The Lord himself has authority over mankind's soul.

He has taught us how we should live for our own sake.

Restore now the beauty of His creation - the soul within us.

Call upon Him to heal and make whole.

Be freed from all sin and darkness and decay.

Be healed and whole in Jesus name.

This has been established for you.

This is your right and your privilege.

Sons and daughters of the living God. Made in his image to be like Him.

“Be ye Holy”.

Exquisite is the soul of mankind.

Perfect in form and in function.

“Be ye Holy”

A complete reflection of His beauty. We are the manifest sons and daughters of the living God upon this earth. Our home is heaven and we are passing through this earthly life on our way back to our home with Him. We will never be separated from Him again. We will reside with him forever, for eternity.
