CHAPTER ONE

Shine Little Light Shine

CHAPTER : ONE

INTRODUCTION

An Oracle of the Lord God
Almighty for Judi to write and
behold and be amazed at My
Glory which has come upon
her.

Here is the Oracle of the
Lord.

The wind of the Spirit has
come that I might live in you
and so that you might have
eternal life.

Blow wind blow.

*Cause me to come to Thy river
Oh Lord.*

This Oracle is a message of
love and of hope and of
revelation.

Be ye Holy as I Am Holy.

Time began as a systematic click of a clock destined for greatness and great things. I placed you, mankind in that story. The earth began a time slot that was pre-ordained and hoped for by My Word and by My Spirit.

My love for My children even as particles of light in Me before you began was my privilege and My joy.

Like a fire burns brightly in the darkness, as soon as I placed you on earth, outside My home, you glowed like little rainbows full of My light and My glory.

Then darkness came and your light shone even more brightly. You became mine and I became yours through the choice factor which I presented to you for all and every one of you.

Some of you will return to Me after a full life here on earth. Some of you will return to Me after just a brief time in a mother's womb. But return to Me you must as I Am holy, you are holy and holiness begets holiness and you are that in Me.

Many loose their holiness while trying to shine in the darkness upon the earth, but you shall have your choice of Me or

to remain in darkness for all your days.

You who have chosen Me, I have already deemed it so that you will again be in Me one day in My home and My very being.

Don't miss Me too much. Soon the fulness of time for you will come and your life upon the earth will have been completed and you will establish again in My glory forever.

Now write of Me.

Write of My glory in the months to come.

I Am with you always and I Am in you and part of you. You are My glory upon the earth. You are My church, My Son's bride.

You are My hope and My glory. I miss you while you are apart from Me and away from Me for this while.

Fire in you grows brightly.

Fire in you is now engulfing darkness for all times. Where you walk becomes a lantern brighter than sunshine for My kingdom.

You are already complete in Me. You must not imagine that

you must become something else or something more for Me.

You were complete from the beginning. Even when you were born, you were perfectly in Me and My planning for you.

Here is your story.
Here is your life in Me.
My hope and My glory.
My children and My own light.

I Am Father of Lights.
Father of you - mankind.
Father of all mankind.
Don't forget Me my children upon the earth.

Fire burns brightly
Light is immense and of heaven's source, not of earth's light source.

*Cause me to come to Thy
river oh Lord.*

Be My light upon the earth.
Bring hope. Bring My
message. Command My
blessing upon others and for
others.

Give of yourself and I will
fill you up.

Give of your resources and
I will fill your pockets and
physical needs beyond
measure.

Being My light is to live as I
Am with My Son and Holy
Spirit. One together we share
each other and together we
give of ourselves and empty
ourselves for each other.

Give and it will be given to
you.

Don't complain, but praise
and you release heaven and My
culture over you.

A light only shines brightly
when it is in the place of
darkness. No one sees its light
when it is already emerged in
light. Does a spark of the sun
know that it is so very bright
unless it penetrates out into the
darkness and causes the
darkness to flee and be no
more.

This little light of mine.
I'm going to let it shine a
little longer in the darkness of
the earth.

Go in My name.

You have what you ask.
Be generous to each other.

Give whole heartedly.
I will restore everything
that you empty of yourself for
others.

We are all part of each
other.

You, My Son, My Spirit.

Your brothers, your sisters.
We are all one beginning and
one being of Light. Don't let
Satan blow the light out.

Don't let his darkness
penetrate. Where there is light,
the darkness cannot exist.

My light is your authority.

My light is My signature.

My Son's blood is your
DNA. My Son's body is your
image. My sons sacrifice is
your example to follow.
Emptied Himself for you.
Empty yourself for others. I
will fill you. Be rested and
secure in Me. Just be. I will fill
you. Just live in Me as there is
no tomorrow without Me. You
are My hope. You are My
glory shining upon the earth,
overcoming darkness and

penetrating your holiness
which is of Me.

Shine little light shine.
